

LET'S MAKE A CRAFTY TAMBOURINE!

Materials Needed: 2 paper plates, hole puncher, small bells, pipe cleaners & glitter glue or markers to decorate.

1 First, take two paper plates and stack them on top of each other.

2 Then punch holes around the edges with the help of a parent or guardian.

3 Use the pipe cleaners to loop through the holes and attach the bells.

4 For the finishing touch, add your own cat-tastic decorations!
